

'Automobile Simplified for Lawyers' for South Zone by Toyota Kirloskar Motor Private Limited

written by Pawan Khatri | February 28, 2020

Smita Paliwal and Gaurav Singh Gaur, on behalf of KSK, participated in a workshop conducted by Toyota Motor Corporation's Legal and Technical Services Divisions for providing their Lawyers with an opportunity to interact, learn and enhance their understanding about the technical aspects of automobiles. The idea behind this workshop is to utilize the technical knowledge to better convince the Courts/Tribunals/Forums and Presiding Officers with the arguments pertaining to the Technical know-how of the automobiles involved in the case to case basis.
