written by Pawan Khatri | January 22, 2020

KSK conducted a two-days i.e., December 13-14, 2019, internal training program for all the leaders at KSK. Interactive sessions were held with great minds like K Vijayshyam Acharya, Global Head – Legal & CS, Quest Global, and Panduranga Acharya, Head Legal - Swiggy which helped enlighten our young budding leaders on how to hone their leadership skills along with understanding the minuscules of the legal world.

Special thanks to Kavitha Rao and Kshitij Sharma at Learners Route for a fun yet a heuristic experience which will definitely help us perform better individually and as team players for all upcoming future prospects.
