### **Professional Summary :**

Aribba is an expert in energy and infrastructure, focusing on drafting and reviewing transaction and commercial documents. She offers corporate advisory services on various Indian laws, including regulatory and company laws, and has extensive experience guiding foreign clients through India's regulatory framework. She also advises domestic entities on compliance with existing regulations and handles commercial law matters, assisting clients with their compliance needs.

Her diverse clientele includes large domestic companies, multinational corporations, private equity firms, funds, start-ups, and early-stage emerging companies. Known for her business acumen, responsiveness, meticulous attention to detail, strong communication skills, and analytical prowess, Aribba works closely with her clients, who highly value these qualities in her professional approach.

### **Representative Clients :**

Some of the clients that Aribba advises include JSW Energy, Fourth Partner Energy, CtrIS Data Center, Vatsala Renewables Energy Private Limited, Bothra Shipping Services Pvt Ltd, etc.

### **Relevant Recent Experience :**

- Advised clients on adhering to local and international regulations.
- Preparing and reviewing sets of documentation pertaining to corporate transactions.
- Provided corporate advisory services, prepared legal memorandums for various entities, and assisted clients in maintaining compliance with local laws.
- Acted for domestic and foreign corporate groups on a range of corporate transactions.
