ENVIRONMENTAL LAW

ABOUT KING STUBB & KASIVA

King Stubb & Kasiva (“KSK”) is a full-service national law firm in India with offices in New Delhi, Mumbai, Bengaluru, Chennai, Hyderabad, Kochi, Mangalore & Pune. KSK has alliances with associate lawyers in all states and union territories of India and international locations. We can cater to all corporate legal, regulatory and dispute resolution requirements of our clients across the length and breadth of the country. We also have a huge informal network of international law firms across ninety-seven countries.

We represent large, medium & small business houses, multinational corporations, banking & financial institutions, technology and manufacturing pioneers, private equity and venture capital investors and start-ups across the country.

KSK does not just provide legal expertise; we take a position and provide commercially savvy advice – we partner with our clients to deliver the best business solutions. We do this by knowing their industries, the trends and issues, and their competitors. We are always focused on providing interactions between our firm and our client which delivers the highest levels of integrity, hard work and trust in order to create a perfectly professional relationship.

Environmental law practice requires an interdisciplinary approach to highly technical issues. Our environmental lawyers have extensive experience with matters involving the state and central pollution control boards. We routinely represents clients on regulatory matters involving hazardous waste management, recycling and waste remediation, air and water quality, wetlands management, hospital and infectious waste processing and disposal, and subterranean and underground storage tanks, amongst other environmental issues.

The team works closely with our corporate and real estate attorneys to identify environmental issues through assessments and audits when clients purchase and sell businesses and real estate. We offer decades of expertise and depth to advise various areas of the sector on environmental law and its evolving applicability to companies worldwide.

At KSK, we have established a client-oriented team to ensure that our services meet the most exacting standards. All clients have constant support from their contact at the firm at any time, day, or night, for routine legal matters or intricate issues requiring creative problem-solving.

Our clients can expect our lawyers to be responsive, innovative, diligent, attentive, proactive, prompt, and flexible while providing them with quality legal advice and support and adhering to strict timelines.

KSK’s proactive way provides value to our clients by looking ahead towards unforeseen issues, articulating them, and mapping out a service plan for their future needs.
