# ABOUT US

King Stubb & Kasiva's Sustainability and Environmental, Social & Governance (ESG) Practice helps clients develop integrated ESG strategies that safeguard corporate reputation, mitigate risk and leverage opportunity.. We understand that businesses are increasingly recognizing the importance of ESG practices in their operations, and we are committed to supporting our clients in incorporating sustainability and responsible business practices into their strategies. Our dedicated team of attorneys provides comprehensive legal advice and guidance to help clients effectively navigate the complex landscape of ESG regulations and initiatives.

## SERVICES

### **ESG COMPLIANCE AND RISK MANAGEMENT:**

We assist clients in understanding and complying with ESG regulations and requirements. Our team conducts thorough assessments of client operations and provides guidance on mitigating environmental and social risks. We also help clients develop robust ESG policies and procedures to ensure responsible and sustainable business practices.

### **ESG COMPLIANCE AND RISK MANAGEMENT:**

We assist clients in understanding and complying with ESG regulations and requirements. Our team conducts thorough assessments of client operations and provides guidance on mitigating environmental and social risks. We also help clients develop robust ESG policies and procedures to ensure responsible and sustainable business practices.

### **ESG DUE DILIGENCE:**

We conduct comprehensive ESG due diligence reviews for clients involved in mergers, acquisitions, fund investments and other transactions. Our team identifies and evaluates ESG risks and opportunities, helping clients make informed decisions and mitigate potential legal, reputational, and financial risks.

# SERVICES

---

## ESG REPORTING AND DISCLOSURE:

We advise clients on ESG reporting and disclosure requirements, including frameworks set by SEBI and other Indian regulators. We assist clients in preparing accurate and comprehensive ESG reports, ensuring compliance with applicable standards and guidelines.

## SUSTAINABLE FINANCING AND INVESTMENT:

We help clients navigate sustainable financing and investment opportunities, including green bonds, social impact bonds, and sustainable investment funds. Our team advises on regulatory requirements, due diligence, and documentation to facilitate ESG-focused financing and investment transactions.

## CLIMATE CHANGE AND RENEWABLE ENERGY:

We provide legal counsel to clients on climate change-related matters, including renewable energy projects, carbon offset mechanisms, and emissions trading schemes. We assist clients in navigating regulations and incentives related to renewable energy, energy efficiency, and carbon reduction initiatives.

## SUPPLY CHAIN MANAGEMENT:

We support clients in managing their supply chains to ensure responsible, ethical and sustainable practices. Our attorneys provide guidance on supplier due diligence, sustainable procurement policies, and supplier contracts that incorporate ESG requirements.

## STAKEHOLDER ENGAGEMENT:

We advise clients on effective stakeholder engagement strategies to build trust, foster dialogue, and address concerns related to ESG practices. Our team helps clients navigate stakeholder relations, including engagement with NGOs, community groups, investors, and regulatory bodies.
