

LABOUR AND EMPLOYMENT

Structuring human relations

ABOUT KING STUBB & KASIVA

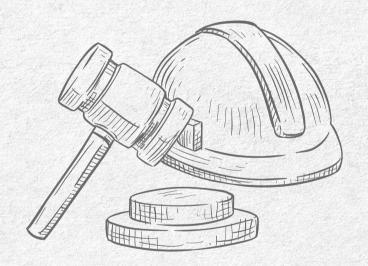

King Stubb & Kasiva ("KSK") is a full-service national law firm in India with offices in New Delhi, Mumbai, Bengaluru, Chennai, Hyderabad, Kochi, Mangalore & Pune. KSK has alliances with associate lawyers in all states and union territories of India and international locations. We can cater to all corporate legal, regulatory and dispute resolution requirements of our clients across the length and breadth of the country. We also have a huge informal network of international law firms across ninety-seven countries.

We represent large, medium & small business houses, multinational corporations, banking & financial institutions, technology and manufacturing pioneers, private equity and venture capital investors and start-ups across the country.

KSK does not just provide legal expertise; we take a position and provide commercially savvy advice – we partner with our clients to deliver the best business solutions. We do this by knowing their industries, the trends and issues, and their competitors. We are always focused on providing interactions between our firm and our client which delivers the highest levels of integrity, hard work and trust in order to create a perfectly professional relationship.

OUR ADVANTAGE

Our Labour & Employment practice focuses on assisting and advising clients in avoiding any waste of management resources and promoting company goals. We guide our clients on all aspects of labour management, ranging from setting up establishments/units in India to the closure of businesses and liabilities arising from them.

We believe in keeping our clients well informed as to the various new developments in law, as well as assist them in formulating strategies enable them to effectively handle the issues/concerns. The global reach, consistent high quality, and efficiency of our team make KSK uniquely qualified to provide both local and multi-national businesses with comprehensive and effective employment and labour solutions.
