Professional Summary:

Asha is a seasoned lawyer with over 22 years of experience in the legal industry. She specializes in a wide range of transactional and regulatory matters related to Real Estate and Banking, including commercial real estate transactions, asset-based lending, loan origination and servicing. Having worked at both law firms and in-house counsel roles, her commercial understanding of the business and transaction is impeccable which helps her evaluate and foresee issues and provide apt resolutions and has successfully advised clients on complex legal and business issues and helped them navigate the ever-changing regulatory landscape. She specializes in title due diligences, lease transactions, contract documentation, RERA and has her expertise in transactions relating to fractional ownership, REIT, and other high-end developments.

She brings a wealth of experience to our real estate team, with a strong background in renewable energy projects. She has demonstrated expertise in managing solar and wind projects, showcasing her ability to navigate complex challenges and deliver successful outcomes in the sustainable energy sector. Her extensive knowledge and proven track record make her a valuable asset in driving innovative and environmentally conscious initiatives within our real estate ventures.
